## **An invitation from Lyn Morris - Chairman AIRSO**

It is my privilege to be Chair of AIRSO for 2007 and I must express my appreciation to Carmarthenshire County Council for allowing me to undertake this role.

Part of my own personal remit is to raise the profile and indeed the membership of AIRSO in the principality during my year and I am therefore delighted to have the support of the Welsh Assembly Government and RoSPA Wales as I introduce myself and AIRSO to you.

The Government have recently published their second three year review of the Road Safety Strategy which has highlighted the need for us to do even more to reduce casualties amongst motorcyclists, newly qualified drivers and those who drive for work as we continue to drive down casualties. Here in Wales we have our own approaches designed to support casualty reduction but there is always a need to review where we are and to consider new approaches in order to reach and appeal to a wider audience.

I am delighted that in my year as AIRSO Chairman I have been able to bring a Road Safety Conference to Wales which has been designed to provide important thought provoking background information upon which we can all build further on the work which we do whether as road safety practitioners or leaders/line managers within commerce and industry, whether working in the statutory, non statutory environment and where we have a responsibility to ensure the safety of fellow workers and colleagues.

Always remember that the biggest risk we face on a daily basis is using the road whether that is on two or four wheels or purely as a pedestrian.

I do hope that you will join with us and encourage other to share in this important day.

## **Gwahoddiad o Lyn Morris, Cadeirydd AIRSO:**

Anrhydedd o'r mwyaf sydd gennyf i cael fy ethol fel Cadeirydd cyntaf 'AIRSO' yng Nghymru, a plaser yw hi, yn fy rol fel Cadeirydd 'AIRSO', i'w eich croesawi i'r Gynhadledd Diogelwch Ffyrdd yma.

Amcan y Gynhadledd hon yw i ddarparu wybodaeth a fydd yn cynhyrfu i chi feddwl, ac hefyd i ystyried ble yr ydyn ar hyn o bryd, fel y gallwn mentro a cydweithio i adeiladu ar yr hun yr ydyn yn gwneud mewn Diogelwch Ffyrdd

Y perygl mwyaf yr ydyn yn gwynebu yn ddyddiol yw i ddefnyddio'r ffordd fawr.

Felly, gobeithio y byddwch yn ymuno gyda ni ac yn annog eraill i rhannu yn y diwrnod arbennig yma.

## **WHAT IS AIRSO?**

**AIRSO** is an independent Membership organisation working in the interests of road safety, highly respected in the field within the public, private and voluntary sector. It is consulted by statutory and non-statutory organisations on road safety issues. Members represent a wide cross-section of commercial transport, fleet management, driver training, independent and local government road safety organisations, the armed services, the emergency services and enforcement agencies etc.

**AIRSO** provides for Members to express their views on road safety issues and gives direct access to experts and policy makers in all areas of road safety.

**AIRSO** holds five/six General Meetings each year, of a conference style, comprising quality presentations and debates at various locations throughout the United Kingdom and also a number of Road Safety Seminars providing the opportunity for greater debate on topical road safety issues. It arranges seminars/working groups to reply to specific consultation documents giving Members an opportunity to share in the response, which is made.

**AIRSO** is a key player in the field of Managing Occupational Road Risk being able to guide Members towards the development of policies appropriate to reducing at work road safety crashes and collisions.

**AIRSO** through its range of activities is key to your Continuing Professional Development.
