?

# Options

- Keep the status quo?
- Make the fleet register compulsory?
- Discontinue the fleet register?
- Make the training organisations register as opposed to the trainer?
- De-regulate driver training completely?

**ROSPA**

*The Royal Society for the  
Prevention of Accidents*

**Whose objectives are they anyway?**

# Objectives

- What is an ADI's purpose/objective?
- What is a Fleet trainers purpose/objective?
- What is a Fleet Managers objective (in relation to driver training)?
  
- How do each of the above try to achieve these objectives?
- Do they achieve them?

# Objectives

- What is a learners objective?
- What training do they really need?
- What is a fleet drivers objective?
- What training do they really need?

# Objectives

- How do you achieve an awareness of motivation and responsibility for risk when the delegate has different objectives, in a client centred way?
- Is the client...
  - a. the driver on the course
  - b. the insurance company asking for the training
  - c. the person paying the bill (parent/company)
  - d. the training company you are delivering the training for
