

PhD Poster Guidelines 2017

Content

Aim to explain:

- The title of your thesis
- The problem which your research aims to address
- Your key research questions
- The anticipated real world applications of your work

Poster design

Judged on:

- How well you have explained your work, bearing in mind that we anticipate practitioners from other road safety conferences which are happening at the same time will also want to see the posters
- Structure/layout/flow
- Creative use of colour/graphics to illustrate research question/conclusions from data (depending on the stage of the research)

Posters should be A1 or A0, and can be portrait or landscape

Your printed poster should be sent no later than Friday 25th August to:
